Capabilities

Established in 2013, ILF Transportation specializes in Non-Emergency Transportation, Delivery, and Logistics Services across the U.S. Known for customizing services to meet specific mission requirements, we handle everything from single transactions to large-scale projects. Our commitment to excellence is reflected in successful partnerships and satisfied clients, ensuring timely and safe deliveries. Our professional team focuses on understanding unique needs and providing reliable, efficient solutions for both complex logistics and everyday transportation.

Core Competencies

- **Non-Emergency Medical Transportation (NEMT):** We offer specialized transportation for patients who need non-emergency medical services, including doctor visits, hospital appointments, and rehabilitation services. Our vehicles are equipped with wheelchair access, stretcher support, and other necessary accommodations for passengers with special needs.
- **General Freight Transportation:** We provide reliable local and long-distance freight transportation, specializing in general freight trucking, less-than-truckload (LTL), and full truckload (FTL) services. Our fleet is equipped to handle a wide range of goods, ensuring timely and secure deliveries.
- **Highly Trained and Professional Drivers:** Our team of professional drivers is committed to safety, punctuality, and customer service. All drivers undergo rigorous background checks, training in safety procedures, and certification in first aid and CPR to ensure the highest standard of service.

Past Performance

- U.S. Air Force - focused on cleaning up remediation to prevent contamination, ensuring safety, and complying with regulations through actions like non-hazardous / hazardous waste disposal, site cleanup, and environmental pollution prevention
- Medicaid/Medicare - provide coverage for transportation to medical appointments in certain circumstances
- Western Reserve Area Agency on Aging - Delivered 5,000 meals weekly during the Covid-19 epidemic
- Greater Cleveland Regional Transit Authority (RTA) - Partnered with Lake Front Lines to provide NEMT to clients to appointments, homes, workplaces, and grocery stores.
- Crowley Logistics - Specialized in long-distance freight transportation.
- Molina Healthcare - Submitted claims to Medicare for the services rendered.

Differentiators

ILF Transportation excels in the industry by prioritizing simplicity and effectiveness, offering services that larger firms struggle to match. Key strengths include:

- Fully comply with local, state, and federal regulations regarding safety standards. We maintaining all necessary certifications and licenses to meet industry standards.
- A committed team capable of working efficiently within any budget, whether large or small, for businesses of all sizes
- Recruitment and support for veterans, second-chance individuals, and people with disabilities, promoting workforce diversity.
