Recognized in the industry for providing world-class services our transportation services and products align with your specific mission requirements; from single transactions to large projects that require multiple services over a longer period.

## Core Competencies

- Freight Services
- Medical Transport
- Military Services
- Passenger Transport
- Shipping Services
- Construction Transport
- Delivery Services
- Transportation Management

## Differentiators

**ILF Transportation outperforms our competitors by doing simple things that allows us to offer several services that larger and more restricted firms are unable to provide:**

- We react quickly to changing customer demands
- We provide personalized customer service that exceeds expectations
- We are flexible and manage our business in real time; serving the customer through situational awareness and prompt service
- Our employees have the tools and motivation to complete the job on time and within cost
- We hire and encourage veterans to join our team

## Past Performance

U.S. Air Force  
Medicaid/Medicare  
Western Reserve Area Agency on Aging  
Greater Cleveland Regional Transit Authority (RTA)  
Crowley Logistics  
Molina Healthcare
